Air Force
NOTE: This drawing was approved by joint action of the Air Force and Navy Departments as the standard for this product. This drawing is the standard for the design and construction of the product and shall be used for the procurement of replacement parts and for the repair of the product. It is the responsibility of the user to ensure that the product is maintained in accordance with the latest edition of the drawing. It may be put into effect, however, at an earlier date after reexamination.
