

NAVAER 1690C

NOTICE.—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have furnished, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded as implying or conveying any right of permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

NOTE.—This drawing was approved by joint action of the Air Force and Navy Department as the standard drawing for the product. This drawing supersedes all antecedent standard drawings for the same product and shall be used for the same product after the latest date of approval shown on the drawing, not later than six months after the latest date of approval shown.
