

NOTICE—When Government drawings, specifications, or other data are used for any purpose other than in connection with a contract referred to the Government, the Government assumes no responsibility for any further use of the data in which service is not intended. Where the Government is aware that the drawings, specifications, or other data are to be reproduced by anyone for sale or for distribution, the Government may have formulated a plan, in any way to protect its rights of reproduction, by copyright, patent, or otherwise in any manner. Notwithstanding the holder of any other form of permission to manufacture, use, or otherwise reproduce the data, the Government will not be bound by any such permission. The Government will not be bound by any patent or other intellectual property rights in any way to be reproduced therefrom.
