### Use/relationship:

The Status Report documents the status of contractor effort towards achieving contract objectives. It identifies accomplishments to date and difficulties encountered, and compare the status achieved to planned goals and the resources expended. It is used by the Government to monitor and evaluate contractor performance.

This Data Item Description (DID) contains format and content preparation instructions for the data product generated by the specific and discrete task requirement as delineated in the contract.

It is not intended that all requirements herein should be applied to every program. Portions of the DID are subject to tailoring by deletion depending on the specific status reporting requirements of the project.

This DID is related to DI-FNCL-80331, Funds and Man-Hour Expenditure Report which can be used in conjunction with this report if paragraph 3.2.3 below is deleted.

This DID supersede DI-MGMT-80368.
