SECTION 23I
UNITED STATES
TACAN IDENTIFIER ASSIGNMENTS

1. Ships assigned TACAN Identifiers are listed alphabetically by name in this section and alphabetically by TACAN Identifier in section three. Requests for assignments of, or changes to identifiers shall be forwarded to CINCLANTFLT or CINCPACFLT, as appropriate, who will assign permanent and temporary identifiers from lists contained herein. The Naval Computer and Telecommunications Station (N3) will be advised of all permanent changes or assignments for promulgation as appropriate. Pending assignment of an identifier, the last two letters of a ship's International Call Sign may be used at the discretion of the OTC, provided no possibility of conflict with assignments to ships in the same or contiguous areas exists.
2. The Naval Computer and Telecommunications Station (N3) has retained a list of TACAN Identifiers for future allocations and assignments.
