

RR-S-1862  
INT. AMENDMENT-1  
February 8, 1976

INTERIM AMENDMENT  
TO  
FEDERAL SPECIFICATION

SHOES, SAFETY, LADDER AND LEVELING DEVICES, LADDER

This interim amendment was developed by the General Services Administration, Federal Supply Service, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification RR-S-1862, dated March 24, 1975.

PAGE 1

Paragraph 1.2.1. Type I - Ladder safety shoe, delete "Styles 1 thru 5" and substitute the following:
