Aerospace  
Cylinders  
Argon  
Propellant  
Missile checkout  
Welding gas  
Inerting agent

\* 6.8 International standardization agreements. Certain provisions of this specification (namely, Table I, Grade A) are the subject of international standardization agreement (STANAG 7127 GGS). When amendment, revision, or cancellation of this specification is proposed which will modify the international agreement concerned, the preparing activity will take appropriate action through international standardization channels, including departmental standardization offices, to change the agreement or make other appropriate accommodations.

\* 6.9 Changes from previous issue. The margins of this specification are marked with asterisks to indicate where changes from the previous issue were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous issue.
