

**MIL-M-63049 (TM)**

1 JULY 1971

SUPERSEDING

USAMC EMPI 12-0117

20 FEBRUARY 1970

**MILITARY SPECIFICATION**  
**MANUALS, TECHNICAL:**  
**LIST OF APPLICABLE PUBLICATIONS (LOAP)**

**1. SCOPE**

1.1 This specification covers the detail requirements for the preparation of lists of applicable publications, referred to throughout this specification as LOAP.

**2. APPLICABLE DOCUMENTS**

2.1 The following specification of the issue in effect on the date of invitation for bids, forms a part of this specification to the extent specified herein.

**SPECIFICATION**

Military

MIL-M-38784 —Manuals, Technical: General Requirements for Preparation of

(Copies of documents required by contractors in connection with specific procurement functions should be obtained from the procuring activity or as directed by the contracting officer.)

**3. REQUIREMENTS**

3.1 Preparation. Except as otherwise specified herein, the general requirements for preparation of the publications shall be in accordance with MIL-M-38784. Reproducible copy shall be prepared in 8-1/4 by 10-3/4 inch size. Sections shall begin on right-hand pages. Sections I and II may be in single- or double-column format.

3.2 Content and arrangement.

3.2.1 *Basic publication.* LOAP shall be arranged as follows:

Cover page  
 Table of Contents  
 Section I — General Information  
 Section II — Technical Manuals  
 Section III — Repair Parts and Special Tools Lists  
 Section IV — Modification Work Orders  
 Section V — Technical Bulletins  
 Section VI — Lubrication Orders  
 Section VII — General Type Equipment Publications

3.2.1.1 *Cover page and table of contents.* The requirements of MIL-M-38784 are applicable. In addition, the table of contents shall include "current as of date." (See 6.3.1.)

3.2.1.2 *Section I — General information.* This section shall include text as prescribed. (See fig. 1.)

3.2.1.3 *Section II — Technical manuals.* This section shall include all technical manuals except DMWR applicable to specific equipment covered by the LOAP, including installed and support equipment. (See fig. 2.)

3.2.1.4 *Section III — Repair parts and special tools lists (RPSTL).* This section shall include all RPSTL applicable to specific

equipment covered by the LOAP, including installed and support equipment.

**3.2.15 Section IV — Modification work orders (MWO).** This section shall include all MWO applicable to specific equipment covered by the LOAP, including installed and support equipment. The priority classification for time compliance will appear in parentheses immediately following the title.

**3.2.16 Section V — Technical bulletins.** This section shall include all technical bulletins applicable to specific equipment covered by the LOAP, including installed and support equipment. Where applicable, the priority classification for time compliance will appear in parentheses immediately following the title.

**3.2.17 Section VI — Lubrication orders (LO).** This section shall include all LO applicable to specific equipment covered by the LOAP, including installed and support equipment.

**3.2.18 Section VII — General type equipment publications.** This section shall include all general type equipment publications applicable to specific equipment covered by the LOAP, including installed and support equipment. Examples of publications covered by this category are those pertaining to painting, welding, etc.

**3.2.2 Changes to basic LOAP.** The requirements of MIL-M-38784 are applicable.

**3.2.3 Revisions.** Revisions shall be prepared in the same manner and format as the prior issue.

**3.2.4 Information to be excluded.** A LOAP shall not include illustrations.

**4. QUALITY ASSURANCE PROVISIONS**

4.1 The quality assurance provisions of MIL-M-38784 are applicable.

**5. PREPARATION FOR DELIVERY**

5.1 Packaging, packing, and marking for shipment shall be in accordance with MIL-M-38784.

**6. NOTES**

6.1 **Intended use.** The technical manuals prepared in accordance with the requirements of this specification are intended to enable concerned personnel to select and become familiar with publications pertinent to the weapon, system, equipment, or vehicle to which the publication applies.

6.2 **Ordering data.** Procurement documents shall specify the following:

a. Title, number, and date of this specification.

b. Title and number of the LOAP.

c. Whether reproducible copy or manuscript is required.

**6.3 Definitions.**

6.3.1 *Current as of date.* The date on which the information contained in the LOAP becomes official.

**Custodian:** Army — TM                      **Preparing activity:** Army — TM

**Review activities:** Army — AT, AV, EL, ME, MI, MU, TM, and WC

**Project Number** TMSS A066

## Section I

## GENERAL INFORMATION

1. *Purpose.* This publication is prepared to enable concerned personnel to determine those publications which apply to the equipment or weapons system they are responsible for and which they must have access to in order to perform their assigned mission.
2. *Arrangements.* The publications listed in each section of this LOAP are arranged in numerical order by publication number. For each publication listed the following information is provided; changes currently in effect, title of basic publication and date. Where applicable the priority classification will appear in parentheses following the title.
3. *Security Classification.*
  - a. Publications classified SECRET or CONFIDENTIAL are identified by the symbols (S) or (C) preceding the number. The title or subject of a classified publication if unclassified is followed by (U). Classified titles of publications are not listed and the word (CLASSIFIED) will appear in the title column. Classified publications are distributed on a need-to-know basis. These publications must be safeguarded in accordance with AR 380-5.
  - b. The symbol (O) preceding the number denotes a publication which is FOR OFFICIAL USE ONLY. Publications FOR OFFICIAL USE ONLY must be protected in accordance with AR 340-15.
4. *Requisitioning of Publications.* Additional copies of the publications listed herein which are required in the performance of your mission, may be requisitioned on DA Form 17 from the CO, AG Publications Center, 1655 Woodson Road, St. Louis, Missouri 63144.
5. *Reporting of Errors.* The reporting of errors, omissions, and recommendations for improving this publication by the individual user is encouraged. Reports should be submitted on DA Form 2028 (Recommended Changes to Publications) and forwarded direct to (enter complete mailing address of the equipment publications preparing activity).

**INSTRUCTIONS:** In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge (*DO NOT STAPLE*), and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

**NOTE:** This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
