

FED. SUP. CLASS  
6240

NOTE: When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have furnished, furnished, or in any way assisted in the preparation of such data shall not be construed as an endorsement or approval of any views or opinions or as representing any rights or privileges in any way related thereto.

This standard establishes the overall dimensions and detail engineering requirements for incandescent lamps, types SC-3 and CS-5/17. The items covered hereon except CS-5/17 are standard for use in the design of new equipment procured by the Bureau of Ships. Type CS-5/17 is for replacement purposes only and shall not be used in the design of new equipment.

MS part number	Type	Finish	FIIN
