

This standard has been approved by the Bureau of Ships
Department of the Navy and is mandatory for use by
that activity. All other military activities are required
to employ this standard where suitable.

NOTICE—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement
operation, the United States Government hereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have formulated, furnished,
or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other
person or corporation, or conveying any right or permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

A CANCELED AFTER 23 JULY 1984. NO SUPERSEDING STANDARD.
