

This standard has been approved by the **BUSANDA**
Department of the **NAVY** and is mandatory for use by
that activity. All other military activities are required
to employ this standard where suitable.

NOTICE.—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Govern-
ment procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Govern-
ment may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or
otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use, or sell any
patented invention that may in any way be related thereto.

NOTE: Referenced documents shall be the issue in effect on date of invitation for bid. This standard takes precedence
over documents referenced herein.
