

NOTE: When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatever, and the Government retains all rights in and to the copyright and other proprietary rights in the drawings, specifications, or other data. It is the policy of the Department of Defense to make available to the public, in whole or in part, any drawing, specification, or other data that may be required by application or otherwise as it may be necessary for the proper operation, maintenance, or repair of any article of equipment, or for the proper operation, maintenance, or repair of any article of equipment, or for the proper operation, maintenance, or repair of any article of equipment.

CANCELED
USE MS17793

APPROVED 16 JAN 57 REVISED 21 JUN 68
