for use by all Departments and Agencies of the Department of Defense.

PAGE 1

FIGURE 1, side view, 1.10 dimension: Delete the top boundary line aligned with top of the screw and substitute with  
a top boundary line aligned with the top of the relay can.

PAGE 4

- \* Add a paragraph: "Qualification by similarity: See MIL-PRF-6106."

PAGE 5

- \* TABLE II: Delete "Interme-diate current" and substitute "Mixed loads".

The margins of this amendment are marked with asterisks to indicate where changes from the previous amendment  
were made. This was done as a convenience only and the Government assumes no liability whatsoever for any  
inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this  
document based on the entire content irrespective of the marginal notations and relationship to the last previous  
amendment.
