

NOTE: When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government hereby disclaims any responsibility therefor. It is not to be construed as an endorsement, approval, or other data is not to be regarded as an indication of authority or otherwise as in any way licensing the holder or any other person or corporation, or conveying any right of patent or invention that may in any way be related thereto.

This document has been promulgated by the Department of Defense as the military standard to limit the selection of the item, product or design covered herein in engineering, design and procurement. This standard shall become effective not later than 90 days after the latest date of approval shown.
