QUALIFIED PRODUCTS LIST
PRODUCTS QUALIFIED UNDER
GEORGE C. MARSHALL SPACE FLIGHT CENTER
SPECIFICATION
MSFC-SPEC-1918
ABLATIVE COMPOUND, THERMAL

This list has been prepared for use by or for the government to be used in the procurement of products covered by the subject specification; and such listing of a product is not intended to and does not connote endorsement of the product by the government. All products listed herein have been qualified according to the requirements for the products specified in the latest effective issue of the applicable specification. This list is subject to change without notice; a revision or amendment will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is forbidden.

The activity responsible for this qualified products list is the Materials and Processes Laboratory, George C. Marshall Space Flight Center.
