

NSS 1740.16

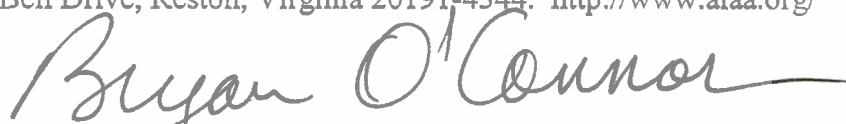

Date:

JUL 25 2005

NOTICE OF CANCELLATION

NSS 1740.16 Safety Standard for Hydrogen and Hydrogen Systems, Guidelines for Hydrogen System Design, Materials Selection, Operations, Storage, and Transportation, dated February 12, 1997 is canceled. Future acquisitions should cite American National Standards Institute (ANSI)/American Institute of Aeronautics and Astronautics (AIAA) Guide 095-2004, "Guide to Safety of Hydrogen and Hydrogen Systems" or any other acceptable non-Government standard on Hydrogen and Hydrogen Systems.

NASA activities may obtain copies of ANSI/AIAA G-095-2004 from the NASA Technical Standards Program webpage at <http://standards.nasa.gov/>. The private sector and other Government agencies may purchase copies from the AIAA, 1801 Alexander Bell Drive, Reston, Virginia 20191-4344. <http://www.aiaa.org/>

A handwritten signature in black ink, reading "Bryan O'Connor". The signature is fluid and cursive, with the first name "Bryan" and last name "O'Connor" clearly legible.

Bryan O'Connor

Chief Safety and Mission Assurance Officer
